PROPERTY

In Olbia, in a quiet residential area, we offer a detached house to renovate. The property stands out for its large internal dimensions, which offer the opportunity to redesign the spaces according to your needs, offering maximum flexibility. Outside, a comfortable courtyard is the ideal place to spend time outdoors and organise dinners with friends and family. A significant advantage of this property is the possibility of adding another storey, taking advantage of the remaining volume, which allows for a further increase in living space. This solution is ideal for those looking for a home to personalise and expand, with great potential both indoors and outdoors.
