PROPERTY

Within a new residence currently under construction, we offer an exclusive ground-floor two-bedroom apartment, with delivery scheduled for 2027.The apartment consists of an open-plan living area, two bedrooms, and two bathrooms, featuring bright and well-distributed rooms.The property\'s strength lies in its outdoor spaces: a covered veranda and a private garden, ideal for enjoying the home outdoors as well.The property is completed by an internal parking space.An ideal solution both as a primary residence and as an investment, thanks to its central position and proximity to the sea.Built with the latest generation of energy-saving technologies, with the possibility of customising the interiors.
